REQUIRES PROOF OF CURRENT STATE AND LOCAL  
LICENSING BEFORE OBTAINING A PERMIT.**

**All contractors are required to provide proof of Virginia and local licensing at the time of permit application. Local licensing from other Virginia localities are honored for projects valued to \$25,000.00. Documentation is required when applying for a building related permit. Projects that are valued at \$25,000.00 or more require a County of York business license. This must be obtained before a permit is issued.
